## Freight Transport availability throughout Europe

OSE provide a complete range of transport services throughout the UK and Europe.

Our extensive coverage across our own fleet of vehicles as well as Approved Partner Network enables us to react with speed, accuracy and certainty to any transport request, anywhere in Europe.

In addition, our strategically located depot in Veurne, Belgium, only an hour away from Port de Calais, is ideal for short term storage and stop-off services between the UK and Europe, in both directions.

Whatever your logistics requirement choose OSE:

- UK and European Express
- Economy European Freight
- International Air and Sea Freight
- UK and European Warehousing
