

OSE EUROPEAN 130411

Special Assistance Transport

If you require special assistance transport and are unsure how to manage your consignment and delivery, OSE Europeans 'committed team are extremely experienced in every part of your special assistance needs from pick up to delivery.

Special Assistance services are usually required for abnormal loads or consignments of a delicate nature.

Regardless of your consignment we can help to plan an effective route, worry free. Our transport services are tailored to your specific requirements ensuring your consignment is handled in a dedicated fashion.

Operationally, we have a solid relationship with an extensive number of notable European Partners who we work with to provide overall logistic solutions.

At OSE European we specialize in UK and European Express Transport.

From UK (Nationwide) transport to International consignments we can provide dedicated, delivery or time scheduled solutions to meet your requirements.

For an immediate transport quote call us on 0191 2654455 or sales@oseeuro.com
