## Pharmaceutical transport to Europe

OSE provide genuine value to the medical and pharmaceutical industries through our unrivalled experience and expertise working with some of the largest and most internationally renowned companies within the industry.

We operate a range of specialist medical and pharmaceutical transport services throughout the UK, Ireland and Europe on a wide variety of vehicle types.

Our European depot in Veurne, Belgium, is perfectly located within an hour of Port de Calais and is ideal for short term storage and stop-off services between the UK and Europe, in both directions.

This means that OSE can provide highly competitive rates for all collections and deliveries into and out of Europe.
