

OSE European

Specialist Transport Services

OSE can collect and deliver to any European destination including our new routes to and from Italy, Russia and Turkey.

Our Dedicated Express services offer transit times of 5 days and 4 days to Russia and Turkey respectively, covering all outlying areas.

In addition our regular Groupage European Freight service to Italy offers delivery in as little as 3 days for most areas.

We can take care of your shipments from door to door, look after all customs documentation and have experienced clearance agents in destination countries to guarantee the smooth delivery of all your consignments.
