

OSE European

Time-Critical European Deliveries within 24 hours

Choosing OSE as a logistics partner gives you the benefit of our complete range of transportation options, considerable resources, advanced technology and unrivalled expertise within the automotive industry.

From urgent local weekend deliveries with a 45 minute reaction time to time-critical European collections with delivery within 24 hours, we ensure our customers receive the best service 24 hours a day, 7 days a week, 365 days a year.

Our impressive network of transportation options enables tailor-made transport services for all our customers, fitting to the exact vehicle and time-frame requirements, with collection and delivery anywhere in the UK and Europe.

To find out more please call us on **0191 265 4455** or visit our website at www.oseeuro.com.

We are confident that if considered as one of your logistics partners, we will provide you with the highest level of satisfaction and most competitively priced range of tailor made transport services.
