

# TRANSPORT AND LOGISTICS

## Transport to Russia

### OSE

OSE is now offering a new European Freight Service to Russia.

This dedicated express service guarantees a transit time in as little as 5 days and covers all outlying areas.

We can take care of your shipments from door to door, look after all customs documentation and have experienced clearance agents on the ground in Russia to guarantee the smooth delivery of all your consignments.

- New European Freight Service to Russia
- European Express Time Critical
- Warehousing
- Full and Part Load Trailers

To discuss your transport options further call 0191 265 4455 or email [sales@oseeuro.com](mailto:sales@oseeuro.com) to speak to a member of our highly experienced transport team.

OSE is a UK Transport Company providing a wide range of services.
