

UK and European Transport Solutions

February 2011

OSE European can provide you with UK and European Express dedicated services

If you're looking for an experienced Express Transport solution, OSE European can assist you.

With our exceptional OSE Fleet and excellent relationships with an extensive network of partners we can quickly assist you with integral and routine consignments.

For dedicated European Express we can deliver in as little as 12 hours; OSE European makes every effort to ensure your consignment gets to where it needs to be with swiftness and precision.

Call us now for immediate quotation or any queries please call us on 01912654455 or sales@oseeuro.com
